- ✚ Diploma in Data Analysis and Uses of Artificial Intelligence Power BI 2023 Program.

Related Experience:

- ✚ Courses of the Center for Development of the Capabilities of Faculty Members at Cairo University:
 - ✚ A course in managing the research team.
 - ✚ A course in exam systems and student assessment.
 - ✚ Course in university profession literature and behavior.
 - ✚ Course in credit hour systems.
 - ✚ A course in international publishing for scientific research.
 - ✚ A course in competitive research projects.
 - ✚ Course in time and meeting management.
 - ✚ A course in strategic planning.
 - ✚ A course in quality standards in teaching.
 - ✚ A course in effective teaching skills.
 - ✚ A course in legal and financial aspects in university business.
 - ✚ A course in technology in teaching.

- ✚ Computer and internet course.
- ✚ A course in using the computer and managing files.
- ✚ Course in statistical analysis spss.
- ✚ A course in creative thinking
- ✚ Attending the sessions of the National Authority for Quality Assurance and Accreditation
- ✚ Self-evaluation course for higher education institutions.
- ✚ Course description programs and courses and evaluation of learning outcomes for higher education institutions.
- ✚ External review course for higher education institutions.
- ✚ A course in strategic planning for higher education institutions.
- ✚ Professional trainer course developed by the National Authority to ensure the quality of education and accreditation.
- ✚ A workshop entitled Course Description at the National Authority for Quality Assurance and Accreditation.
- ✚ A workshop to review the training material at the National Authority to ensure the quality of education and accreditation.
- ✚ A workshop entitled Information System and Program Accreditation for Higher Education Institutions.
- ✚ A workshop for higher education initiative programs to give graduate studies to professionals.

Quality Assurance Center courses at Cairo University:Attending workshops in 2011: –

1. Course report and study program.
2. Academic standards for the study program.
3. Description of the program and course.
4. Community participation and academic counseling.
5. Empirical evaluation and continuous evaluation of the educational process.
6. The organizational structure and the administrative apparatus.
7. The educational institution's strategic plan.
8. Field visit to accredit educational institutions.
9. Certifications and Ethics.
10. Preparing feedback questionnaires and statistical analysis of the data.

Attending workshops in 2013: –

1. Description of the program and course.
2. Preparing the electronic course.
3. Students and graduates, education and learning.
4. Field visit to accredit educational institutions
5. Organizational structure and administrative apparatus
6. Credibility and ethics
7. Preparing feedback questionnaires and statistical analysis of the data.
8. Community participation.
9. Academic standards for the study program.

10 – Academic Advising.

Attending the 2014–2018 workshops: –

1. Adoption experience
2. Financial matters of interest to faculty members.
3. Validity and ethics.
4. Organizational structure.
5. Preparing questionnaires
6. The field visit
7. accreditation experience 2017

A course in modern techniques in scientific research.

-  A course in scientific writing.
-  A course in how to access electronic information sources
-  A course in developing the skills of teaching the piano instrument .Training preparation program in the educational process.
-  The program of preparing international arbitration consultants approved by the International Arbitration Authority 2013.
-  Program for preparing arbitration consultants for bank disputes and intellectual property contracts 2013.

- ✚ Making good choices: how cans teacher’s better research repertoire for the classroom? By Brandi Waller– pace.
- ✚ Promoting and preserving your music programs during covid–19 times.
- ✚ A framework for teaching general music during covid–19.
- ✚ Preparing online learning opportunities for students for students.
- ✚ Teaching general music during covid–19 through the lens of Kodaly and feierabend approach .
- ✚ State advocacy: success stories and best practices from the states.
- ✚ First steps into global music.
- ✚ Teach rock: social justice resources for blending learning.

Seminars and conferences:

- ✚ Free Access Knowledge Seminar OPEN ACCESS.
- ✚ An introductory seminar to participate in a competition to choose five monthly researches.
- ✚ Musical College of Music Conference 2014.
- ✚ Quality Education College Conference 2014.
- ✚ A conference evaluating and developing the experience of open education in Egyptian universities.
- ✚ The first conference for scientific research 2010.

- ✚ Conference towards a paradigm shift in higher education 2015 at the National Authority for Quality Assurance and Accreditation of Education.
- ✚ The first international conference of the Association of Asia 2015/2016
- ✚ Fourteenth annual conference at Ain Shams University 2016
- ✚ The third international conference, Quality Assurance for Education for the Present and the Future 2016.
- ✚ Arab Conference on the preparation and publication of scientific research in May 2016.
- ✚ International Conference recent and important issues in psychiatric practice & knowledge. 6 May 2016
- ✚ International Conference on Musical Therapy, Bangkok2018.
- ✚ Women Empowerment Seminar, Canadian Cultural Center 2018.
- ✚ Speaker 5th annual armed forces psychiatry conference 2018.
- ✚ Speaker certificate in 4th forum of pediatrics 2018.
- ✚ Speaker of 20th annual of the Egyptian association for mental health Conference 2018.
- ✚ The Fifth International Conference on Quality Assurance in Education – Prospects – Applications 2018

- ✚ Speaker of the annual conference of the Egyptian Mental Health Association 2018
- ✚ Speaker of the Fifth Conference of the Faculty of Education, University of October 6 from 8–10 / 2019
- ✚ Speaker certificate 6th annual armed annual armed forces psychiatry conference 2019.
- ✚ Speaker the 8th international conference and strategic planning summit (WAAE) 2019 Luxor organized by world alliance for arts education.
- ✚ Attending the National Authority for Quality Assurance Education 2019.
- ✚ Attending the conference of the National Authority for Education Quality Assurance 2019.
- ✚ Speaker at the Rahway Psychiatry Conference 2019.
- ✚ Workshop from the National Authority for Education Quality Assurance 2018
- ✚ Workshop for the Higher Education Initiative Program for Postgraduate Scholarships for Professionals 2018
- ✚ Attending the smart vision expo 2020 conference
- ✚ Dr nermeen has attendance of Emerald Guide to Getting published online workshop, that was held on 9 April 2020
- ✚ A certificate of attending a course in Knowledge Dialogues at the Mohammed bin Rashid Al Maktoum

Foundation, entitled Change that calls us to reconsider our world 2020

- ✚ Certificate of attending a course in Knowledge Dialogues at the Mohammed bin Rashid Al Maktoum Foundation entitled Ideas from one of the most famous Internet hackers in the world 2020
- ✚ Certificate of attending a course in Knowledge Dialogues at the Mohammed bin Rashid Al Maktoum Foundation entitled Digital Finance for a more just world after the pandemic 2020
- ✚ Certificate of attending a course in Knowledge Dialogues at the Mohammed bin Rashid Al Maktoum Foundation, entitled Sheikh the Teacher: What Leaders Do from Mohammed bin Rashid Al Maktoum 2020
- ✚ Certificate of attending a course in Knowledge Dialogues at the Mohammed bin Rashid Al Maktoum Foundation, entitled Developing Skills Towards a New Reality 2021
- ✚ Attending the Arlen Awareness Week in the Arab World 2021
- ✚ Conference of the Ministry of Higher Education in the Administrative Capital 2021]
- ✚ African Youth Conference at the United Nations 2021
- ✚ Knowledge Bank seminar entitled (1) Smart Selection of Research Point 2021

- ✚ Speaker at the International Conference on Art Therapy from GAHW 2023
- ✚ Chairman of the Organizing Committee of the Fourteenth Conference of the American Academy of Higher Education and Training 2023
- ✚ Member of the Scientific Committee of the Fifteenth Scientific Conference of the American Academy of Higher Education and Training 2024
- ✚ Member of the Scientific Committee of the Thirteenth Scientific Conference on Design and Arts 2024

Arid platform courses: 2019/2023

- Writing Your Journal Article in 12 weeks
- Crafting Scientific Research paper
- Standards and Metrics in the Scientific Movement
- Academic Writing Style for publication
- Preparing for Viva–Voce of Thesis/Dissertation Examination
- Skills of participating in scientific conferences and seminars
- Scientific Communication skills in academic and scientific forums, conferences, seminars and webinars
- Advanced scientific research tools

- Certificate for Activist at ARID Scientific Events Badge
2020

- Endorsement of Wissam, an active researcher in the activities of I want for the year 2020

- Ways of thinking and social responsibility

- The integrated model of social responsibility for Arab educational institutions

- Seminar industry authorship

- Science and social responsibility (the scientific endowment as a model)

- Scientific communication coefficient C-Index and classification of communicative universities

The impact of the nanotechnology revolution on society:
the light-emitting example

Food awareness and social responsibility

- Activating the role of research groups to increase joint scientific production

- Activating the role of research groups to increase joint scientific production

Scientific research trends in light of the Corona pandemic
(Covid-19)

- Education and social responsibility in the era of the Fourth Industrial Revolution
- The global trend in social innovation and its impact on social responsibility
- Developing Arab universities
- The experience of organizing the eighth international scientific forum
- Organizing the 8th international scientific forum
- Getting started with Mendeley Getting started with Mendeley
- Common mistakes in writing scientific theses in English
- Applications of artificial intelligence and its tools in scientific research
- Education in times of crises and emergencies
- Active in arid 2022 and 2023 events

- ✚ Member of the International Society for Music Education 2018–2020Australia.
- ✚ Member of the International Association for Music Therapy in America and England.2018–2023
- ✚ Member of the International Society for Music Education 2018–2023Australia.
- ✚ Member of the International Foundation for Music Therapy in America and England
- ✚ International Scientist Awards 2021 for the best researcher from India
- ✚ Membership in the UNESCO Organization for Disability and Rehabilitation Sciences from ICDS and UNATRS of the United Nations, America 2021.

scientific committees: –

- ✚ Participation in the supervision of the first recital of piano and music education 2014/2016.
- ✚ Practical Education Development Committee 2012–2013.
- ✚ Quality Committee, Faculty of Specific Education, 2012–2013.
- ✚ Quality Committee, Department of Music Education 2013–2014.
- ✚ Development Committee of the Faculty of Specific Education 2014/2018.
- ✚ A committee formed by the university president to create new international content and an international program for 2021

- ✚ Digital Music Interstitial Program Committee 2021
- ✚ Committee to design a music program with the Faculty of Archeology, Cairo University 2023
- ✚ Member of the Music Program Design Committee with the Faculty of Archeology, Cairo University, 2023
- ✚ Member of the Committee for Designing a Musical Program with Open Education 2023
- ✚ Member of the Curriculum Development Committee at the Faculty of Specific Education, Cairo University, 2023

the scientific books :

- ✚ Participation in a book of studies and research on total quality management in higher education institutions, University of Batna 1, Algeria, 2022
- ✚ Participation in the Scientific Research Priorities book on the I want platform, entitled Fundamentals of Scientific Research 2022

Courses that I have been trained: –

- ✚ The literature and behaviors of the profession in university work course at the Capacity Development Center – Cairo University until 2016
- ✚ Ethics of Scientific Research course – Capacity Development Center – Cairo University.

- ✚ Course description and report course – Faculty of Specific Education – Cairo University.
- ✚ Program description and report course – Faculty of Specific Education – Cairo University.
- ✚ Course in intellectual property rights – Faculty of Specific Education – Cairo University.
- ✚ A course in exam paper and relative weight – Faculty of Specific Education – Cairo University.
- ✚ A course in self-evaluation at the National Authority for Quality Assurance and Accreditation of Education.
- ✚ University ethics – Faculty of Specific Education – Cairo University
- ✚ Dealing with students – Faculty of Qualitative Education – Cairo University
- ✚ Training course for coordinators in the anti-violence and harassment unit at Cairo University.
- ✚ Profession behavior course and a special part have been added to the Anti-Harassment Unit for training at the Capacity Development Center – Cairo University.
- ✚ Designing a summer training program for students at the Faculty of Specific Education – Cairo University for three consecutive years.
- ✚ Diploma in statistical analysis from the spss 2023 efad platform
- ✚ Diploma in Data Analysis and Uses of Artificial Intelligence Power BI 2023 Program

- ✚ Course on formulating activities in light of higher-order thinking skills at the Capacity Development Center, Cairo University 2020–2023
- ✚ Critical thinking skills course at the Capacity Development Center, Cairo University 2020–2023
- ✚ Brainstorming skills course at the Capacity Development Center, Cairo University 2021
- ✚ Bena International Academy Corporate Learning Course 2020
- ✚ Training of trainers course at the Jordan Style Institute 2022
- ✚ Innovation and institutional development course at the Capacity Development Center, Cairo University 2020
- ✚ Occupational safety and health course, Capacity Development Center, Cairo University and the Pattern Institute in Jordan 2022.
- ✚ Decision-making and problem-solving course at the Capacity Development Center, Cairo University 2023
- ✚ Effective communication skills course at Al-Kawthar Academy for Training, Training and Human Capacity Development 2023

Achievements related to the unit against violence and harassment against women at Cairo University

- 1– Establishing and implementing workshops and seminars as coordinator of the Specific Education College 2014/2015
- 2– A proposal for an action plan for the Anti-Harassment Unit 2015 was made
- 3– Participated in the training coordinators 2015/2016

- 4- A plan proposal for the 2016/2017 camps has been made
- 5- Conceive a training course for combating violence and harassment against women for the Capacity Development Center – Cairo University.
- 6-Carry out the tasks assigned to it as a member of the Executive Committee during special events for 16 days to deliver equipment to each college prior to the activities.
- 7- Participating in supervising four colleges during the activities of Egyptian women and International Women's Day.
- 8- Preparing the evaluation form for the training coordinators' courses.
- 9- Participating in preparing the schedule of activities for the celebrations of the anti-harassment and violence against women unit for Egyptian Women's Day from 8 to 16 March 2016. Tables for the participation of different organizations and teams.
- 10 – Attending all the meetings of the Executive Committee and civil society organizations to coordinate with some of them to agree on one scientific article to be presented during the camps.

My research published locally and internationally in music education

- 1- The effectiveness of a program based on playing the piano as a means of improving memory in children with attention deficit hyperactivity disorder (ADHD).

- 2- Develop performance from musical education graduates on piano to work in Egypt and Arab countries an international journal
- 3- A proposed program to teach children the principles of the French language by playing the piano 2019, an international conference
- 4- A proposed program for teaching the elderly to play the piano 2018, an international conference
- 5- A proposed method for developing student performance evaluation systems for the content of piano courses at the Faculty of Specific Education in the light of education quality standards (third edition) 2016 international conference
- 6- An innovative method for qualifying the beginner learner to play the piano 2016, a local magazine
- 7- A visualization of a proposed approach to teach the non-specialist student to play the piano in the faculties of medicine and physical therapy to benefit from it in the treatment of various cases 2016 local magazine
- 8- A proposed summer training program to improve the level of students of the Faculty of Specific Education on the piano, 2015, a local magazine
- 9- A proposed vision for the development of the piano program for the undergraduate level, in line with the needs of the labor market, 2014, a local magazine

10– A proposed vision for developing the piano curriculum using technical and expressive skills and its suitability for the student and the labor market 2014, a local magazine

11– Benefiting from the (British Royalty) program in teaching piano to learners from beginners 2014 local magazine

Supervise thesis related to the medical sector

- ✚ Supervising a Ph.D. thesis entitled a proposed program to improve hand functions for children with special needs by playing the piano instrument between the Department of Musical Education and the College of Physical Therapy.
- ✚ Supervising a PhD thesis entitled a proposed program for playing the piano instrument for children surviving from domestic violence between the Department of Musical Education and the Faculty of Medicine Kasr Al-Ainy.
- ✚ Supervising a Master thesis a training program based rhythmic movements to reduce some of sensory disorders among children with autism spectrum disorder

Supervising thesis related to music education

- ✚ Supervising a PhD thesis entitled a study of his instrumental analysis of contemporary Egyptian piano literature.

- ✚ Supervision of a master thesis entitled Analytical Study of Beethoven's Triple Piano Compositions.
- ✚ Supervision of a Ph.D. thesis entitled "Integration of educational and musical activities for the development of life skills for students of intellectual education schools in the light of Egypt's educational vision 2030 (a proposed vision)
- ✚ Supervision of a Ph.D. thesis entitled "Preparation of a teacher of music education in the State of Yemen."

Discussion of thesis on music education

- ✚ Discussing a master thesis entitled "Methods of Performing Pop Music Compositions for a Piano Instrument in the Second Half of the Twentieth Century".
- ✚ Discussing a master thesis entitled "A study of some modern Japanese techniques for teaching piano playing and benefiting from it for the novice student."
- ✚ Discussion of a Master Thesis entitled "Techniques of Performing Jazz Works by Jerome Kern on the Piano".
